

Welcome to the Center for Living Health as a new patient of Michael Allen, MD.

The Center for Living Health was founded by husband and wife team Michael Allen MD and Linda Lazar Allen CAMT. Together they created a heart centered practice that consciously strives to bring balance, strength and optimal health to the whole person by integrating conventional and holistic medicine and therapies. We look forward supporting you in a more balanced approach to health.

Enclosed is our new patient packet. This packet contains notices and agreements that need to be read and signed **before** your first appointment. It can take awhile to fill out the forms completely; and we have found that a detailed patient history is one of the most effective ways of discovering the root cause of troublesome symptoms.

Please be sure to complete this form ahead of time and bring it to your visit.

Please read through our cancellation policies and be aware of your commitment as a patient of our practice. Missed appointments are costly and take away valuable appointment time from others.

We are located in Sacramento at the SE corner of Howe Avenue and Northrup. Our office in the rear of the building on the south side, Suite 370. You may want to plan on arriving early to account for difficulty finding the office, traffic, and filling out any additional registration forms (see our website for complete directions).

Our team of providers and support staff at The Center for Living Health are committed to providing you with the highest level of personalized integrative care and working together with you as partners in your health and healing.

Again, welcome to the Center for Living Health.

We look forward to seeing at your upcoming appointment.
